

Aarogyasri Health Care Trust
(A GoAP Trust)

CIRCULAR

AST/P&C/EHS/Online application/2014,Dt.25.03.2014.

Sub : Aarogyasri Health Care Trust – Employees Health Scheme – Intimation of Online Modification – Reg.

Ref : G.O.Ms.No.184 HM&FW(M2) Dept dated 14-08-2013.

-o0o-

As you aware that, vide ref. cited, Government has approved Employees Healthcare Scheme (EHS) for providing cashless treatment to the State Government Employees, the Pensioners and their family members, with Aarogyasri Health Care Trust as its implementing agency and a web portal is already existing at www.ehf.gov.in.

In this regard, to improve the documentation of medical details of the patient, Trust has designed transparent online module for preauthorization and claims in such a way that documentation of treatment plan of the patient should be mentioned in the designed online format by Network Hospitals and linked this with the claim module. On a review of the present linkage of claim module to that updation of treatment plan, it was observed that there is a difference in claim amount to that of preauth amount.

Hence, Trust decided to de-link the daily clinical notes updation that of claim process with immediate effects. However, the medco is requested to update the clinical notes on a daily basis till the discharge of the patient.

The details of cases to be update will be shown in Medco login. Network Hospital cannot raise claims for the cases, in the absence of updation of clinical notes on a daily basis.

It has been decided to make mandatory of updation of clinical notes w.e.f 7th April, 2014. All the NWH are requested to note these instructions and ensure that the clinical notes are updated for EHS Cases on a daily basis.

(This has got the approval of CEO, AHCT.)

Executive Officer (P&C)

To,
All the MDs/CMDs/CEOs of Network Hospitals

Copy to :

All the HoDs of Trust.
